Subject: Bus Routes and Advertising

Hi,

I am agreeing with the new bus route "E" and I am all for advertising on the exterior of the bus. This is a sure way of saving the Tax Payers money. I only hope that the ads will benefit other programs that will save the Tax Payers money. Most people live a closed shelter and have not been exposed to other cities of the U.S. where ads are vital. Again, if the ads are tastefully done and for the benefit of the citizens of Hawaii, by all means go for it!
